The Scorecard

The scorecard is a tool to help you decide if your elected representative is trustworthy and standing up in protection of our rights and freedoms.

How the Score is Generated

In each province we identify three critical Key Areas of Measurement that have holistic impact on our rights and freedoms:

1. Public commitment (Pledge) 2. Votes on critical legislation (Current and Past) 3. Verifiable Public Statements.

- If you see a Green Checkmark (pass), a Red X (fail) or a Question Mark ? (Unknown, Absent), it is a (commitment, voting, public) record that supports or undermines our rights and freedoms.

If our rights and Freedoms are not Safeguarded, nothing else matters!
