VOTED:

Bill 31 - Emergency Management Act

No

Alignment with the UN Sendai Framework. An arbitrary decision by a politician in the form of declaring an “Emergency” - the government may take what it wants from you and your family and if you resist you will be punished.

Bill 36 - Health Pro and Occupations Act

No

Gives the Provincial Government the right to the following actions:

- Conduct warrantless search and seizure of property
- Dictate healthcare services with unprecedented power
- Demand access to your private clinical records
- Issue fines up to \$200,000 and/or imprisonment up to 6 months for ‘misleading information’ not in agreement with government
- Forced mental health assessments

Bill 44 - Housing Amendment Act.

No

Eliminates public participation in community planning, which takes authority away from property owners and municipalities.

Motion 3 -

No

This motion voted to condemn individual Canadians for exercising their right to protest and supported discrimination through the Public Health orders that created second class citizens in British Columbia.
